steelseries 3H USB

steelseries
professional gaming gear

Product description

SteelSeries 3H USB is a compact lightweight headset, specially designed for gamers who frequently visit LAN-events and other gaming events. SteelSeries 3H USB can be collapsed for easy and safe transportation and features a pull-out microphone system. The 3H USB connects to the computer using USB, which ensures a consistent sound experience allowing gamers to always play with the exact same sound and settings, no matter where in the world or at what computer they are playing.

Special features

* USB soundcard with 7.1 virtual surround
* Foldable lightweight gaming headset
* Pull-out microphone
* Strong bass for optimal in-game sound projection
* Comfortable to use, easy to transport
